

24 June 2022.

Hi, My name is Tomas Chacon and I am an Engineer from Kokkola. I have been learning Python programming for the past two years, together with some Web development and CMS. I saw the open full stack developer position for Sooma in LinkedIn, and I am applying for a junior developer position. Please find my web portfolio here: <https://my-portfolio-tc.herokuapp.com/> and my github profile :<https://github.com/westoleaboat>.

Please feel free to contact me for any additional questions.

Br, Tomas Chacon.
